#### From the Lordon Years The Results of Aegro Emancipariou.

At the beginning of the present mouth a public meeting was held in this city to eclebrate the twenty-fifth anniversary of the abolition of slavery. One of the speeches delivered on that occasion has since es delivered on that occasion has since A meeting of the Lecoum will be held at Buena been reprinted, and not without reason. Vista field, in this City west Thorsday Evening. for it was fairly addressed to the solution of the 21th. a problem on which most important interestshave long been depending. Mr. Hineks the able Governor of our Windward Islands, was not content with enlogizing she triumph of hunality which the grand act of Abelition expressed. Reourstepped 3 his sphere of superfluous panegyris, and Wiesler, W. L. Welber, W. C. Smith, W. J. Leveland, C. H. Gage, G. P. Lewis, No. after - B. A. Rebinson, D. W. C. Gage, J. J. Wiesler, W. N. Lattle, Bassa Pratt. acrappled with questions which still remain for decision. The negro has been emancipated, but what have been "the results of negro emancipation." Justice to the black and freedom to the slave, no doubt; but to the planter, what?-to the colonies, what?- to the engar market, what? The purest philanthropist need not seruple to entertain these supplementary questions, for, in very truth, their chief concern is with philanturopy itself. Slavery has not been abolished everywhere, but in certain territories only, and unless the abolition can be shown to have been not partially, but generally a success, isiana to follow in the steps of Januacia; deavering to establish a civil common, the river between this point and the mouth colat. A small milatary company was or-If they are, we must prove that Jamaica wealth on the principles of the Jewish are insignificant. It extends over one ganized at once, and the command was the experiment. It was to this object theoremy, should have deviated from their and a half miles, and at an ordinary stage given to Old Brown." that Governor Hineks directed his obser- model in one very important particular, of water—as it was when Capt Macoms still further from the Herald:

What the Louisiana planters gain by is the annals of the eastern colonies, and the City people to "dig in" now, and not wait P. Doyle and Drary Doyle.

All were found the rebined with wonderful excellence in manu-glorious invention of a "New England" for any elementary calamity to beful us by the roadside or in the highway, some that they may thereby he heavilted at sugar produced may be estimated in Cuba at some 3 cents, and in Louisiana ted in poetry and song. At 3 2-10 cents, in Trinidad it does not In the progress of time, Thanksgiving City would have to be dredged. In this Brown's head, or that of any of his sons had bread fruit, &c., grow almost without work of philanthropy will be but half in want of an object, and here is one made to their names. Let them agotate slavery in Cuba by improving the results ful for the institution of Thanksgiving, than Bay City, and their trade will for of Freedom in Jamaica. Let them help Would there were more days of a like that if for no other reason center here.to prove, what Mr. Hineks declares, that character mean the calendar. our planters can really beat slaveholders out of the field by cheaper and better A Few Pacts for the People to Contemspecimetion. In doing that, they will be opes more discharging the functions they profess, for slavery will not be long nuintained either in Cuba or elsewhere when it is found to be a losing game.

## WROLESALE ROBBERIES.

harglars entered the back-shop of Mr. ment." Henry, Jeweller, by means of skeleton they had recourse to some kind of pry. dress, Jan. 4 1855. and partially succeeded in bursting off barking had deterred them from any fur-expenses of the government, and meet rifle, which was in the work-shop.

The robbers ween then to have gone to Mrs. Whiteley's saddlesy establishmen on Kingston Street, and in their determination to effect an entrance, alsolutely forced the door off its hingers they physicased themselves of \$180 in cash, be-sides two gold claims, two silver, to and one silver watch, and other articles, to the value of \$300, leaving, however, the ritie taken from Mr. Henry.

As the Dagnerreotype Salson of Mr. Rhody promised rich booty, they deemed it necessary to enter and judge for themselves, which they did, appropriating everything of value they could lay hands -lockets, likenesses, trinkets, &c.

We are also further informed that in the evening following, Mr Daniel Wilkinson of the 4th Con, Noderich Township had his horse stolen from his stable, together with a saddle and bridle, the property of John McGardy, of this Town. Although four constables are in pur-

suit, all traces of the burglars have eluded detection, up to the time of going to press,—Goderick Signal. 12th.

Z Advices from Contrist America are later than those previously received. San Juan de Nicaragua is said to be deserted, Trade is extinct there, Several American war yeasels were in the offing on the look-out for filibusters but it is not likely that their active intervention will be needed. Centrial American correspondents agree in declaring that a large portion of the Nicaragnan people favor the return of General WALKERpreferring his inilitary despotism to the wretched inactivity that now prevails throughout the Republic
